

# THE ARIZONA RAMBLER

VOLUME 1 ISSUE 1

MARCH 2012

THE OFFICIAL PUBLICATION OF THE GRAND CANYON CHAPTER OF THE AMCRC

Welcome to the first edition of **THE ARIZONA RAMBLER**, the newsletter for our AMCRC Club.

In the last few months, a website has gone up to help us connect with each other and celebrate our shared interest in the products of AMC. If you have not had a chance to visit, please do, and feel free to offer suggestions and input. This is YOUR club. It should reflect YOUR interests. The club is inclusive of all AMC products (and those of the makes that merged to create it).

There is an application form on the site, and one is included in this newsletter. At the moment, we are not requiring dues. We honestly couldn't think of anything that required them. This might change as the club evolves, but that's how it is right now. There is also a page for activities. A recent activity attended by some members was the Las Vegas Reunion. Upcoming are several activities here in Arizona. The Cactus Cruisers Show is coming up fast. It would be great to coordinate a get-together of interested members at this. Please note that plans are already in the works for a convoy to attend the Reno AMCRC National Convention in June. The big Flagstaff show in September is also listed.

Weekly cruise ins, fun day trips, and off road trips, or any other activity centered around an AMC can go on the site, or in the newsletter.

*Have you done something with your AMC lately?  
Send in a picture and a short description for the newsletter.*

Hi to everyone. Here is a picture from Riverview Mall in Mesa, AZ. They do a car show every Sat. from 3:00-9:00 pm just behind the Bass Pro Shop. There is a live band or D.J. and the weather has been great, so if you are visiting this part of the valley, come on down. Enjoy and stay warm.

P.S. That's Mike and me by the cars.

Hello to all. November found us on the road to the Las Vegas AMC Reunion. We drove there with Steve Brown ('69 Ambassador) and came back with Paul Ward ('65 Marlin). Later, the '72 Wagoneer took us on several trips to see the fall color. We love driving our AMCs, and hope to do more of it in 2012.
